# ALPHA SOL 190

## ADVANCED CHEMICAL SOLUTIONS PRESENTS:

By incorporating nano technology, we have created a high performance next generation cutting and grinding soluble oil.

Alpha Sol 190 provides excellent milling, turning and grinding performance on multiple materials (Steel, stainless, copper, brass, etc.).

The Nano structure of this products forms a stable emulsion that resists tramp oil contamination and offers superior bacterial control, eliminating the "Monday Morning Odor", providing long-term worry-free sump life.
